GRADUATION EXERCISES TO BE HELD THIS MONTH

Rev. J. L. McBride Selected as Third Speaker for the Young People

Valedictorian and Salutatorian Announced.—Complete Program

Last month two of the speakers for commencement were announced, and since that time the third one has been invited and has accepted the invitation. He will be Rev. J. L. McBride, pastor of the Front Street Presbyterian Church, of Statesville, who will deliver the annual sermon to the Young People's Societies.

The others announced last month were Rev. J. R. McGregor, Th. D., pastor of the Lexington Presbyterian Church to deliver the baccalaureate sermon, and Rev. Walter L. Lingle, D. D., president of Davidson College, who will give the literary address at the final and graduating exercises.

The initial event of the commencement exercises will be on Friday night, April 20th, featured by the class program. This will include the reading of the last will and testament, the prophesy of the class, the history and poem, and other things generally connected with this particular part of the graduation program.

On Sunday morning, April 22nd, Dr. McGregor will deliver the baccalaureate sermon, and the night of the same day, Rev. Mr. McBride will speak to the graduates and others at Barium.

The final event will be Monday night, April 23rd. Prior to the awarding of diplomas, Dr. Lingle will make the literary address. The audience will be welcomed by Herbert Blue, second high honor man among the graduates, who is salutatorian. Dr. Lingle will speak, the diplomas and special awards will be made, and the 1934 exercises will close with the valedictory, delivered by Leonard Fort, first honor man, who is also president of the class.

Fred Cole, a member of the Baby Cottage, has been selected by the class as its mascot.

An outline of the program follows:

Friday night, April 20, Class Exercises.

Sunday Morning, April 22nd, Baccalaureate sermon by Dr. J. R. McGregor.

Sunday night, April 22nd, sermon to Y. P. Societies by Rev. J. L. McBride.

Monday night, April 23rd, Final exercises, with Dr. W. L. Lingle delivering the literary address.

There are 21 in the graduating class this year, two of them being children of local workers. This means that the Orphanage population will be 19 less after April 23rd.

Meals Served by S. S.

For the past two months there has been a thought in the minds of the officials at Barium that offerings had been contributed to the Orphanage and they had not been promptly dispatched by the local treasurers. The report for March verifies this expressed statement in the last two issues of The Messenger, for the receipts from the Sunday Schools this month were almost twice as large as those in February, and the total was the largest amount that has come to Barium from the Sunday Schools during any month of the past twelve.

The sum received from Sunday Schools last month was $1,838.27. That for February was $955.31. The former amount includes the third quarter reports of many of the Sunday Schools, and in some instances it contains the yearly report of those whose monthly offerings are small and it is thought advisable by the local treasurers to send them in one annual amount.

In addition to the above, there are other reasons why it was larger, too, and that was because of the adoption of the plan of one offering per month by several more Sunday Schools in March. Notices have continued to ar-

Nine Additional

Sunday Schools of the Synod continue to align themselves with the plan of devoting one offering per month to Barium, or setting aside definite amounts for the Orphanage. There were ten reporting in March or notified Barium that gifts would be coming to the Orphanage in the future.

The nine joining the ranks in March, or will start giving regularly in April, are Barbecue and Raeford in Fayetteville Presbytery; Men's Bible Class of the North Vanguard church, West Raleigh, and Varina in Granville; Thomasboro in Mecklenburg; Burlington Second in Orange; Bladenboro in Wilmington, and Foster Memorial in Winston-Salem.

WHAT SUNDAY SCHOOLS ARE NEXT?

320 CHURCHES ARE NOW CLASSED AS EXCEEDERS

During March 53 Churches Contributed Sums to Equal 1932-1933 Amounts

On March 31st 320 churches in the North Carolina Synod had either equalled or exceeded their 1932-33 giving to the Orphanage. Of the 320, 318 had gone beyond their previous year's aggregate, and two of them had given exactly the same amounts. This splendid total of churches which have attained this accomplishment represents a majority of churches in this Synod, for elsewhere in The Messenger it is seen that 189 of them have not yet reached this distinction.

The number at the close of March increased 53, for that many churches had the honor last month of being transferred to the list below. Mecklenburg Presbytery substantially led all the others in the number of transfers with 12 churches, followed by Wilmington with nine; Fayetteville with eight; Orange with seven; Kings Mountain with six, four from Albemarle, three each from Concord and Granville Presbyteries, and one from Winston-Salem.

The two churches which have contributed an equal amount for the two years are Four Oaks in Fayetteville, and Southport in Wilmington. Three of the churches in this category in February contributed more funds in March and thus could be classified among the "exceeders".

From present indications, two-thirds of the North Carolina churches will give more to the Orphanage this year than during the twelve months prior. The final roster of the churches in this classification will be published in next month's issue of The Messenger, after the books are officially closed and the closing sums for 1933-34 recorded.

The distribution of the 320 churches is: Fayetteville 55; Mecklenburg 49; Wilmington 43; Concord and Orange, 37 each; Kings Mountain 25; Granville, Winston-Salem and Albemarle 23 each.

Following are the 318 churches which are ahead, the two which have equalled their amounts not being included below:

Albemarle

Ahoskie, Ballard Mission, Bethlehem, Calvary, Falkland, Farmville, Fountain, Henderlite Memorial, Hollywood, Howard Memorial, Jason, Kinston, Macclesfield, Mayo Mission, Mitchiner Memorial, Nahalah, New Bern, Pinetops, Robinson, Rocky Mt. Second, Washington, Wilson.

Concord

Bayless Memorial, Bethany, Bethesda, Centre, Cleveland, Clio, Concord First, Concord Iredell, Concord Second, Elmwood, Fairview, Franklin, Front Street, Harmony, Kannapolis, Landis, McDowell, McKinnon, Marion, Mooresville Second, Morganton, Newton, New Salem, Park Place, Patterson, Prospect, Salisbury First, Salisbury Second, Sevier, Shearer, Sherrill's Ford, Shiloh, Statesville First, Stony Point, Tabor,

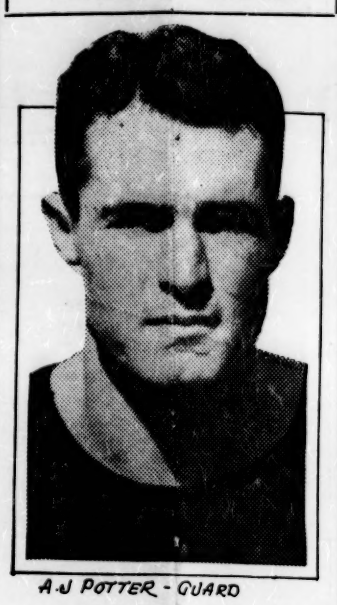
Athletic Head



A.J POTTER - GUARD

A. J. Potter, former Barium student, who has been elected president of the Davidson College Athletic Association for 1934-35.

DISTINCT HONOR GIVEN FORMER BARIUM STUDENT

Charles Fort Also Accorded An Unusual Honor—Other Barium Boys Nominated

Welcomed and most gratifying was the recent news that A. J. Potter, who finished at Barium in 1931, had been elected president of the Athletic Association at Davidson College for the ensuing year of 1934-35. Potter was selected from a field of 15 candidates, every letter man who will be a senior next fall being automatically nominated.

On the initial ballot all were eliminated except Potter, Charlie Harris, of Welch, W. Va.; Dewey Hutchins, of Lexington; J. D. Siewers, of Winston-Salem, and Joe Wingfield of Reidsville. Harris and Hutchins were dropped on the second ballot; on the third, Siewers was eliminated, leaving the final and fourth ballot to be cast between Wingfield and Potter.

On the initial ballot were two other Barium boys besides Potter. These were J. B. Lee and Chas. T. Fort.

Potter has been prominent in student body activities at Davidson ever since his entrance in 1931. As a freshman, he was elected captain of the football team, and was also a member of the freshman track and wrestling outfits. He has continued in these sports for the past three years.

During the present 1933-34 fiscal year he was one of the two vice-presidents of the Davidson student body. A former Orphanage-mate, Julian West, acted as president. Potter is a member of Sigma Delta Psi, honorary athletic fraternity, and a member of the "D" Club. He is a first sergeant in the R. O. T. C. His position on the football team is at guard, where he was a dependable regular throughout the 1933 season.

Another distinction accorded a Barium boy at Davidson recently was the re-election of Charles Fort as captain of the 1935 wrestling team. Fort had the unusual honor of captaining an athletic outfit at Davidson as a junior, and his team-mates honored him further by selecting him to lead the mat performers for the second year in succession.

34 Sunday Schools Now In $100.00 Class

The response from seven Sunday Schools last month enabled them to advance to the "$100.00 Class", meaning that their totals for 1933-34 have been as much as $100.00. This now brings the number to 34 Sunday Schools, as compared to 27 last month, which have this distinction.

New Sunday Schools gaining this honor were Wilson First, Front Street, Raleigh First, Trinity Avenue, Huntersville, Paw Creek and Clarkton. This is not the final tabulation for reports were yet to be received on March 31st for the final month or fourth quarter gifts, and others might be in this classification when those gifts are received. The books at Barium are being held open for a few days, and the report of these Sunday Schools, as it will appear in the May Messenger, will have the final standing and amounts.

Winston-Salem First Sunday School has the distinction of leading

Believe It Or Not

The day of miracles is not over. Testimony of this is the following letter which recently reached Barium:

"Enclosed is check for $— which makes the 13th for this year. In 1932 (I think it was) I had to skip a month, so I am now making it up."

What a glorious letter to receive at Barium, when the great majority of churches and organizations never make up the decrease from year to year!

And on top of this, this treasurer wrote some time ago that receipts were not necessary!

Furthermore, officials at Barium are not superstitious about 13. Are there any more 13th checks?

MINORITY OF CHURCHES BEHIND 1932-33 MARK

Only 189 Have Not Yet Equalled Their Totals for the Previous Twelve Months

Fifty-three churches in the Synod of North Carolina had the distinction of equaling their 1932-1933 totals during the past month—the largest transference that has been made at any time since this tabulation originally appeared in the pages of The Messenger. This was the record on March 31st, and leaves a minority of the churches in the Synod which have not reached their previous year's total. The number in this classification is now 189.

The books at Barium are now being held open the first two weeks of April to receive the final gifts on 1933-34, and when the May issue of The Messenger is published, it will contain the final record of what churches failed to give as much during the 1933-1934 fiscal period as during the previous twelve months of 1932-1933. At the time this is being written during the early part of April, in the neighborhood of a dozen churches could be transferred to that other list on the basis of gifts received after March 31st. No doubt, only 150 churches will fail to attain the mark of the previous year.

These 189 churches lack $7555.31 of reaching their former year's total. The largest amount in arrears in Orange Presbytery, and the smallest amount is Albemarle Presbytery. The number of churches in each Presbytery, and the amount they are behind follows:

Presbytery	Number Churches	Amount Behind
Orange	28	$2108.83
Mecklenburg	27	1906.35
Granville	19	897.28
Concord	24	787.09
Wilmington	17	695.47
Fayetteville	33	389.48
Kings Mountain	12	372.64
Winston-Salem	17	274.68
Albemarle	12	123.49
Totals	**189**	**$7555.31**

Last month it was reported that 29 churches were in arrears as much as $100.00. That number has been reduced to 20 by March 31st, and these 20 lack $5,276.82 of the above total of $7555.31 for the 189 churches This leaves $2,278.49 that 169 churches need to give the early part of April to equal their 1932-33 totals. The distribution of these larger churches and their combined sums they are in arrears are as follows:

Presbytery	Number Churches	Amount Behind
Orange	4	$1779.56
Mecklenburg	6	1598.03
Wilmington	3	630.93
Granville	2	609.96
Concord	2	290.75
Kings Mountain	2	243.97
Winston-Salem	1	123.62
Albemarle	None	None
Fayetteville	None	None
Totals	**20**	**$5276.82**

Albemarle Presbytery was the only one last month which did not

SYNOD MADE EXCELLENT REPORTS DURING MARCH

Receipts at Orphanage Were $3017.47 Better Than Same Month A Year Ago

Books Held Open Until April 16th—Final Report in May

For a while during March, it looked as if the Thanksgiving Offering was arriving at the Orphanage, for the mail was extremely heavy over a ten-day period, during which time the churches and other organizations were sending funds in the final month of the year. The total receipts were $6868.63 for the month which was quite a contrast to March, 1933, when only $3851.16 was received from Synod. Consequently, the income during March was $3017.47 better than the same month a year ago.

This last-minute drive almost brought the total of the Synod to the sum that it gave during a similar period of 1932-33. Last month's Messenger announced that Synod was $3,137.67 behind its contributions of a year ago, but this unusually good response in March brought down the difference to $120.20, which is the amount that the Synod is now behind the previous year.

During the first half of April, 1933, the books at Barium were held open to credit all belated amounts, which totaled over $3100.00 for that period. The books are again being held open this year for the first two weeks of April, and it yet remains to be seen if the final report will show an increase. Even a nominal increase will be greatly encouraging to Barium, in view of the repeated declines of the past several years.

Some 1933 Thanksgiving Offerings continue to come in, as attested by the arrival of $311.44 during March. Some of the larger churches have members who make pledges covering a period of a year, and the Thanksgiving Offering now being received is largely made up of the payment of these pledges.

Albemarle Presbytery last month strengthened its advantage of showing the largest increase per church member per year. That Presbytery is now 12½ cents ahead of its contributions of a year ago, but they are still 19¼ cents behind the asking of ten cents per member per month. Close to Albemarle is Concord Presbytery, whose giving is ten cents ahead of its standing of one year ago.

Four other Presbyteries are ahead of their reports for March, 1933. Kings Mountain is 7½ cents ahead; Mecklenburg is 6¼ cents ahead; Fayetteville is 3¾ cents more, and Wilmington is one-half cent more than last year.

This leaves three Presbyteries which have not given as much per church member this year. Granville Presbytery continues to cling to its position of falling off the greatest amount. That Presbytery is 21¼ in arrears of 1932-1933. Winston-Salem was 27¼ cents behind its previous year's record at the end of February, but the response was exceptionally good in March, and so their record now stands at 12½ cents behind a year ago. The other Presbytery is Orange, which is 10¾ cents behind.

The only change in standing this month was the swapping places between Concord and Kings Mountain Presbyteries. Kings Mountain now ranks third, with Concord in fourth place. Winston-Salem handily maintains its substantial lead over all others. They are 72¾ cents per church member ahead of the nearest rival, Albemarle Presbytery. Fayetteville continues to occupy that last position. They seem loathe to part with it.

The Table of Receipts follows:

Presbytery	March Receipts Regular	Thanksgiving	Am't Received Per Member	Am't Per Member for Year.	Am't Due End of 12th month		
Winston-Salem	$985.34		20¾c	173½c	120c	53½c	ahead
Albemarle	374.13		8¾c	100¾c	120c	19¼c	behind
Kings Mountain	484.77		9 c	99¼c	120c	20¾c	behind
Concord	743.00		6½c	98¼c	120c	21¾c	behind
Mecklenburg	1506.27	270.00	16 c	93¾c	120c	26¼c	behind

Cottage News

BABY COTTAGE

Everybody has been having just lots and lots of fun during the last month and we feel real happy since spring is here.

On March 9th the civic clubs had their annual meeting at Rumple Hall. A big supper was prepared for the guests and a program was given by several of the children. We were proud to have several from our cottage in the performance.

The Easter bunny made a visit at our home Saturday night and left three eggs and two toys in each of our chairs. The next morning no one could have kept us in bed. We were supposed to sleep until 7 o'clock but all of us scampered out of bed about six to see what the bunny had brought him or her.

On Easter Monday all of the children, from three years to nine, were invited to an egg hunt at the American Legion Club House in Statesville. The eggs were hidden in lots of funny places, but was worlds of fun finding them. The kind friends gave away real live rabbits to those who found prize eggs and to the persons who found the greatest number of eggs. One of our little girls, Mae Allan Barrett, happened to be one of the lucky ones who found a prize egg so she was presented with a white bunny with pink eyes. We are very proud of the bunny and almost love it to death. We wish to express our thanks to the kind people who made this egg hunt possible for us.

Some ladies visited us not long ago and they brought us candy suckers and mints which we had a good time eating.

Miss Carson spent one week-end with us last month. While she was here she told us stories and we sang songs just like we used to do when we went to kindergarten.

Miss Faye Stevenson spent a few days with her last month.

Some of the visitors who have been on the campus lately are: Ruth Gordon, Virginia Edwards, Leona Morgan, Mildred Warner, Esther Archer and Hazel Cartrett. All of these girls are alumnae and we were very glad to have them come by and see us for a few minutes.

Mama Girt has fixed pretty new curtains in our playrooms and has also fixed many pictures on the walls. This makes our playrooms very attractive.

School will soon be out and most everybody is glad.

It will soon be time for us to play on our playground in the woods.

Fred Cole from our cottage, has been chosen for the senior class mascot this year. Fred is all excited about it and can hardly wait until graduating time.

Mrs. Coffey came last month and brought us all some candy and magazines which we appreciate very much.

It has been so nice and warm since the first day of April that Mama Girt decided that we must take off our ragged shoes and let our feet go pitter, patter over the ground.

SIX CURES FOR DISCONTENT

Consider how many blind folks there are while you can see.

Remember how many are sick while you are well.

Be assured that someone has a heavier load than yours.

Try to find someone with whom you would trade troubles.

Walk down the street and watch the lame folks go by.

Listen to some man who wants to tell you a story of hard luck.

MEALS SERVED BY S. S.

(Continued from Page One)

rive at Barium that this has been included in the Sunday School program, and every such notice and initial gift is the occasion for great rejoicing because of what these contributions will mean to the institution in years to come. Nine new Sunday Schools either reported in March or reported that gifts would follow at the beginning of the new church year.

Before the next issue of The Messenger is published, a tabulation will be prepared for the entire 12 months, and during the coming year there will be two columns of figures to see how the years compare. It is predicted that almost without exception every month's offering from the Sunday Schools will be larger during the coming twelve months.

This prediction is made on the basis of many increases recently observed in the Sunday School responses, plus the knowledge that in the neighborhood of 40 more Sunday Schools will be contributing regularly during 1934-35. No doubt, there will be many others to join this regular and systematic plan to further increase the monthly total. Three months of the past ten the Sunday Schools have contributed less than $1,000.00, but it is not thought that it will fall below that mark during the coming twelve months.

The meals which could have been served by the Sunday Schools for the various months are as follows:

June	**8,252**
July	**9,425**
August	**13,238**
September	**13,419**
October	**12,678**
November	**10,717**
December	**11,519**
January	**10,583**
February	**9,553**
March	**18,383**

Alumni News

Mr. and Mrs. J. H. Nesbitt announce the birth of a daughter, Jerolyn Curee, weight seven and three-fourths pounds. Mrs. Nesbitt was formerly Daisy Belle Torrence and finished at Barium in the class of 1928. They are living in Salisbury at the present time.

Several of the Davidson boys were here during their spring holidays. They returned to school today.

Virginia Edwards was on the campus Sunday. Frances Miller, who is married also came by Sunday.

Two old-timers, the Parnell boys, visited the Home a few days ago. We were glad to see them and hope they will not wait so long before visiting us again.

Geneva Player Batson, graduate of 1928, lost her baby, who was several years old, last Saturday night. All of the folks here who knew Geneva extend to her their deepest sympathy. She is living in Pennsylvania and her address is 3301 N. 5th St., Philadelphia.

Herman Clark was married several weeks ago to Phyllis Lackey, of Statesville. They are living on Race street and Herman works for the Coca-Cola company in Statesville.

Paul Pittman, J. B. Lee, Lamont Brown and Jim Johnston visited Barium this week-end.

Matoaka Torrence and William Hudson came by for a few minutes Sunday.

A. J. Potter has recently been elected president of the Davidson Athletic Association. We are proud of A. J. and wish to congratulate him on the receiving of this honor.

How do you feel?
"Corking", said the bottle.
"Rotten", said the apple.
"Punk", said the fire-cracker.
"Fine", said the judge.
"Grand," said the piano.
"Ripping," said the garment.
"Keen," said the knife.
"Balmy," said the weather.
"Nutty", said the almond.
"Green," said the olive.
"Yellow", said the banana.
"Cookoo," said the bird.

—P. O. H.—

A Scotchman was leaving on a trip and asked for one spur.

"What use is one spur?" asked the man.

"Well," replied Sandy, "if I can get one side of the horse to go the other one will have to come."

—P. O. H.—

Stubbornly Backward

Being told to write an essay on the mule, a freshie turned in to his teacher the following effort:

"The mule is a hardier bird than the geese or turkie. It has two legs to walk with and two more to kick with, and wears its wings on the side of its head. It is stubbornly backward about going forward."

34 SUNDAY SCHOOLS

(Continued from Page One)

all others in giving during the past 12 months. Complete reports from this church and Concord First, runner-up, have all been received, and the standing of these two will not be altered and the closest competitor does not have a chance to overtake them. For many years, Concord First has had the distinction of giving the largest amount to Barium through their Sunday School, and it will be interesting to watch the competition between the Winston-Salem First and Concord First for leading honors during 1934-35.

Every Presbytery now has a Sunday School giving as much as $100. Last month, Wilmington Presbytery could not boast of such a Sunday School, but Clarkton came through to put that Presbytery in the running. Mecklenburg Presbytery maintains the lead with seven Sunday Schools listed below; Concord has five; Fayetteville, Kings Mountain and Winston-Salem four each, and Albemarle, Granville and Orange three each.

Officials at Barium wish that the church treasurers would report the amount contributed by the different organizations, so that each could be properly credited. Under their present system, a report comes to Barium in one lump sum, without designation. This would add a few Sunday Schools to that list below.

In the midst of 1933-34, many of the Sunday Schools changed their former plan of sending their gifts through their church and Presbytery treasurers, by reporting these direct to the Orphanage, which is more preferable because these Sunday School offerings are specifically for Barium. Had these reports reached the authorities for the entire 12 months, then other Sunday Schools would also be added.

A prediction is made that there will be 50 Sunday Schools in the North Carolina Synod contributing as much as $100.00 to Barium during 1934-35. That's 16 more than is listed today. Maybe that is too conservative an estimate. Upon second thought, that estimate will be changed to 55, for there are so many Sunday Schools in the neighborhood of $100.00, that with a little extra effort on their part they will reach that sum.

Again, it is called to the attention of the readers that the fine gifts of smaller amounts made by the two hundred or more Sunday Schools is not forgotten by preparing this tabulation. Their gifts mean just as much to the Orphanage. It just so happens that these are larger Sunday Schools and can give larger amounts. Too, look at that second column which contains the Sunday School membership, and you can readily figure out which one is giving more to Barium per member.

The 34 Sunday Schools follow:

FARM AND CAMPUS

Here we are again telling of our spring days. The campus is looking fine now since we sawed off all the broken limbs, hauled all the limbs off and raked the whole campus.

We have cleaned up our new-grounds and cut all of the trees, split the stove wood and have hauled a lot of wod to the boiler to be burned.

The wheat is looking fine since so much rain. The alfalfa is growing fast and will soon be ready to cut. The oats and barley are growing in the same manner as the wheat and alfalfa.

This year we have more wheat planted than usual, and hope to get more than we did last year because we need it.

We got a rock crusher from some man on the other side of Statesville for we had to have some cinders crushed which were getting in the way at the boiler room. We got the ruck crusher but it was broken. We had it fixed and began to work on the cinders. The cinders came in handy on our new track field for we needed something to run on. Now it is fixed up and will be in use very much because we always need a good track field. Fixing the track field up was very hard work but we farm boys can do most anything.

Our sheep are looking good now. They were taken out the other day for the first time this year. And, boy we had a big flock of little ones who went out to the football field for their first spring practice. Of course we meant that they went out to see what grass they could find. We have a big flock which will be tasting good about next fall.

We ordered some clover seed about three weeks ago which we have planted in with some of our wheat, oats and barley.

We hope everyone had a fine Easter and had plenty of fun. The colored men didn't have to work Easter Monday, but the boys did.

We won't have the seniors much longer so we are going to make them work harder between now and the time they leave. After they leave we don't know what we will do for we will not have but a few big boys left with us, but we ought to be able to do the work on the farm.

The other day we got about a dozen shovels, for after those big rains it left a lot of our terraces in bad condition. It took us about a week to fix them because the majority of them were broken. We have them fixed up for the summer now.

Mr. Nesbit is still at his old job of fixing window panes, chairs and putting handles on tools.

We are now working in the new-grounds, cleaning up and plowing. We will start the spring planting soon. We hope all of the crops turn out all right.

INFIRMARY

On a bright and sunny day like this it is hard to make our minds work. We would rather be out in the flower garden or out in the woods looking for flowers and watching the birds.

Lee Donaldson and Robert Blue are home from the Davis hospital after operations for appendicitis. Any child in the home would willingly give up their appendix to spend a week in Dr. Davis' hospital.

Very few are sick these days. The largest number of patients is about the hour they should go to study hall. They come pouring in then.

We had a visit from Mae Belle Knox, one of our best and most reliable girls, a few days ago. She was on her way to the Davis hospital where she was operated upon. We are glad to say she is much better and will spend a few days with us before returning to her work in Charlotte.

Miss Moore had a visit from Mr. and Mrs. G. L. Davidson, of Portsmouth, Va. They are old Nebraska friends and were most welcome.

Monday evening, the Infirmary girls had an egg hunt. The seven girls found 28 eggs. Bessie Kennedy finding the most. The way she found them, we would have thought she was an eye witness to the hiding, had we not known that she was safely in school when they were hid. At the end of the hunt all of the girls had four eggs dressed in all the colors of the rainbow.

On Easter Sunday we all had a pleasant surprise from Miss Lackey who had decorated the table very beautifully in Easter eggs and flowers. We had as our guest that day Miss Irene McDade, who made her home with us for three years while she was teaching.

Miss Eugenia Patterson called Sunday afternoon. She, too, was one of the Infirmary for three years, and we feel that one of "us" has come back when we see her. She now has the position of welfare worker in Washington county, North Carolina.

Thelma Johnston's sister and family visited her Easter Sunday. They enjoyed a visit to the chicken farm as well as seeing their sisters.

Ed Flowers had his appendix taken out about a week ago. By the time you read this, he should be a guest at the Infirmary.

LEES

We are glad that spring is here. The grass is getting green and the trees have buds on them.

Some of the mothers of the boys came to see them Easter. We all had a good time.

Hugh McCrimmon, one of our boys, is in the hospital with a sore knee. We hope he will be well soon.

School will be out in 13 more days. We hope that every one will make their grade.

Track season has started now. Barium has won most of the contests so far.

Our matron, Miss Nash, has gone to her home in Goldsboro to spend Easter. We hope she has a good time. Miss Ford is taking her place while she is away.

—Tommy Adams

HOWARD

This is Station H. C.

Our flowers are blooming and are very pretty. A robin has decided to build her nest on our front porch since there are no leaves on the trees. I suppose she wanted to build her nest under some shelter.

Thelma Roberts, Louise Martin and Flora May Newnam had a visit from their mothers Easter.

We are glad to have Martha Adams from Gastonia come to live with us. Martha had a visit from her aunt and grandmother Easter.

When China Grove came to play basketball with us, Hattie McKee said, "Oh, I want to see the girls of China play."

Gertie Smith, Vittoria Salvaggio and Elaine Faircloth were in the Infirmary a few days, but are back in school now.

The smaller girls are going barefooted. "Some happy bunch".

We have three more weeks of school. We are working hard for fear of not passing.

Mr. Johnston took us on a long walk recently and we certainly enjoyed it.

—P. O. H.—

Little Boy: "Mother, do cows and bees go to heaven?"

Mother: "Why, child, what a strange question! Why?"

Boy: "Because if they don't, the milk and honey the preacher said was up there must be all canned goods and I've had enough of such things."
